

Their/There/They're
(to the tune of Fresh Prince of Bel-Air)

Now this is a story
All about how
Your grammar got twist turned upside down
I'd like to take a minute
Just sit right there
Tell you all about the rules for THEIR, THERE and THEY'RE

Most 4th graders are in a haze
That's how you guys are spending most of yo days
You gotta chill out, relax, maxing all cool
Sit back
And I'll teach some rules
That you should've paid attention to in school

There were a couple of kids
Who were up to no good
Started using THERE in their neighborhood
They got in one little fight
And they all got scared
"If you're describing a place, just use THERE"

The next one's tricky,
Spelled E-I-R
But don't worry kids
its not too hard
I've got a trick
and I'm ready to share
when ya using ownership,
just use THEIR.

We are almost done
There's just one more
But this one's easy
You can be sure
There's-a apostrophe,
It needs R-E.
It simply means THEY ARE!
Now I'm sure that you'll go far.
